

Analysis of Student feedback Regarding the syllabus, Curriculum and Infrastructure (2021-22)

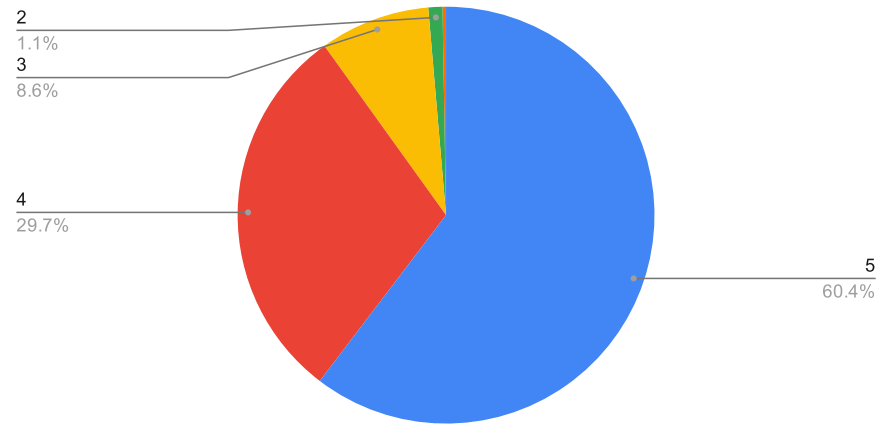

A feedback was collected from the students by IQAC through google forms related to course syllabus, infrastructure-Library facilities, sports facilities, canteen, health care, Grievances and redressal, training and placement, extension activities etc. Students have to rate their opinion at five point scale (5:- Strongly agree/ Very good, 4:- Agree/ Good, 3:- Neutral, 2:- Disagree/ Poor, 1:- Strongly Disagree/ Very poor). Total number of students who actually participated in the feedback mechanisms through google forms are 763. The suggestions are also collected through descriptive responses. The feedback is analysed through charts related to each question.

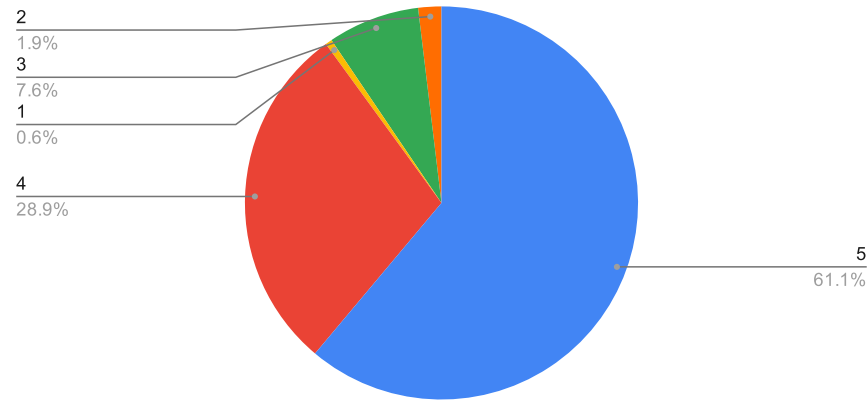

**SYLLABUS/CURRICULUM [Size of the syllabus (पाठ्यक्रम का आकार)]**

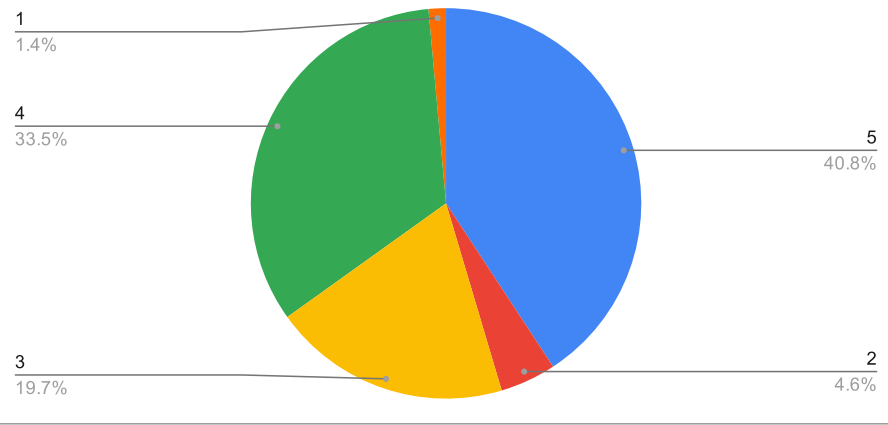

SYLLABUS/CURRICULUM [The objectives of the course are stated properly (पाठ्यक्रम के उद्देश्यों को ठीक से बताया गया है)]

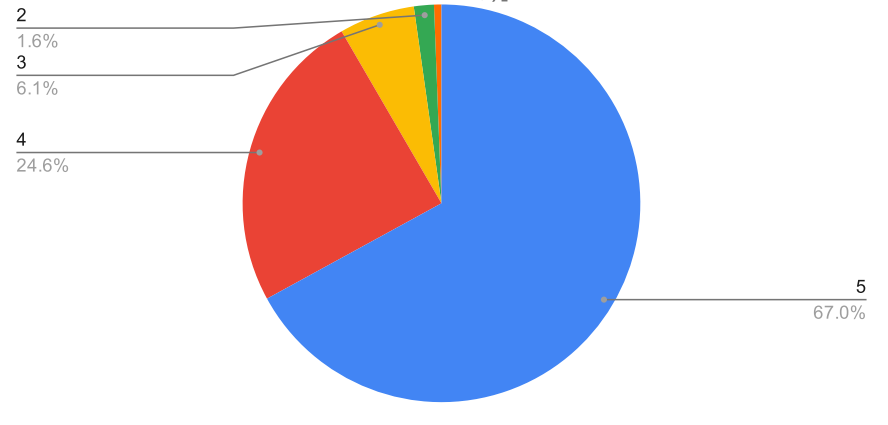

SYLLABUS/CURRICULUM [Content of the course encourages extra learning/self-learning. (पाठ्यक्रम की सामग्री अतिरिक्त सीखने / आत्म-शिक्षा को प्रोत्साहित करती है)]

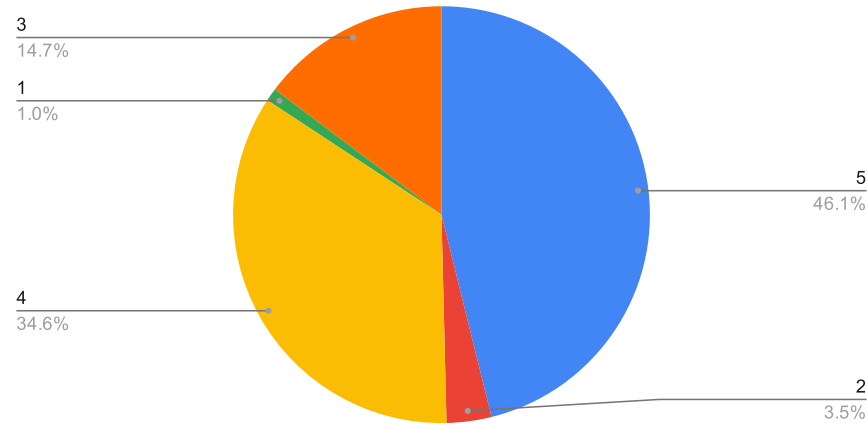

Infrastructure and Learning Resources [Training and Placement Opportunities]

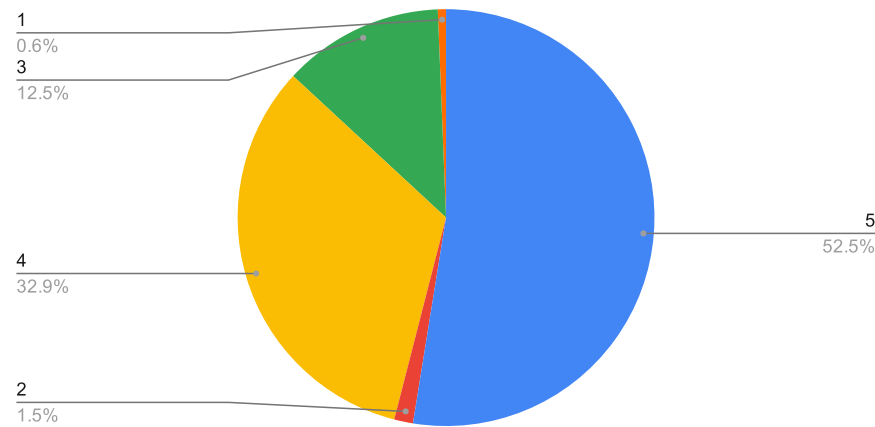

SYLLABUS/CURRICULUM [Assignments/practical have enhanced your learning capabilities (असाइनमेंट / प्रैक्टिकल ने आपकी सीखने की क्षमताओं को बढ़ाया है)]

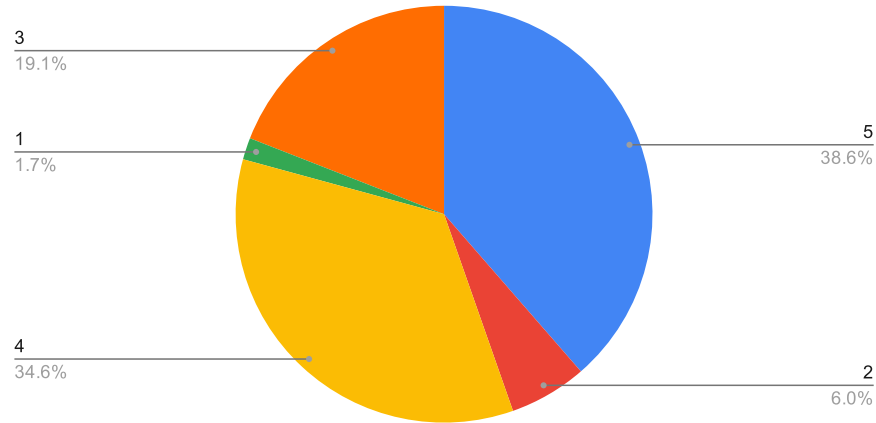

Infrastructure and Learning Resources [Number of books of your Subject in library.]

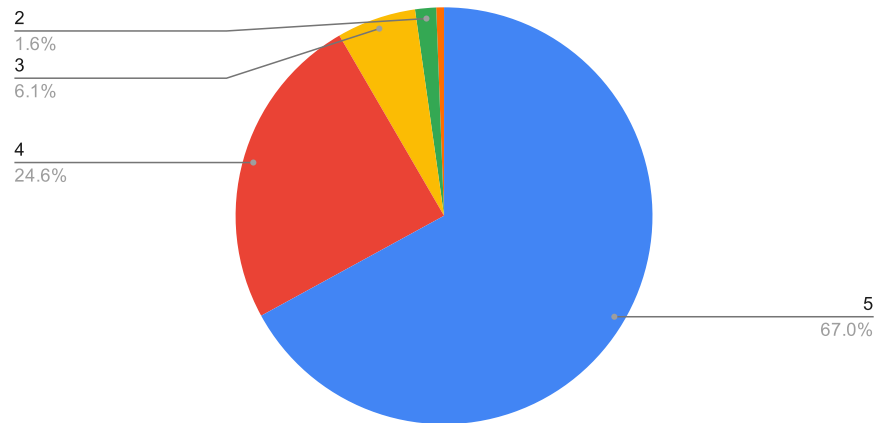

Infrastructure and Learning Resources [Arrangement of books in the Library.]

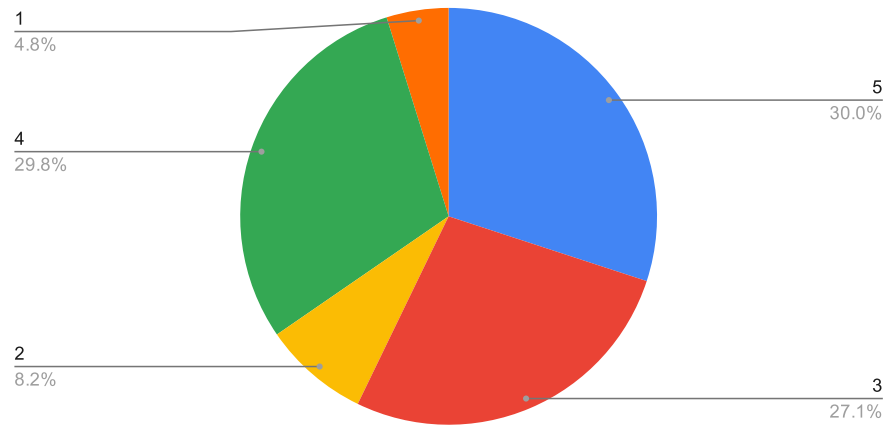

Infrastructure and Learning Resources [Reading space (Seating Capacity) in the Library]

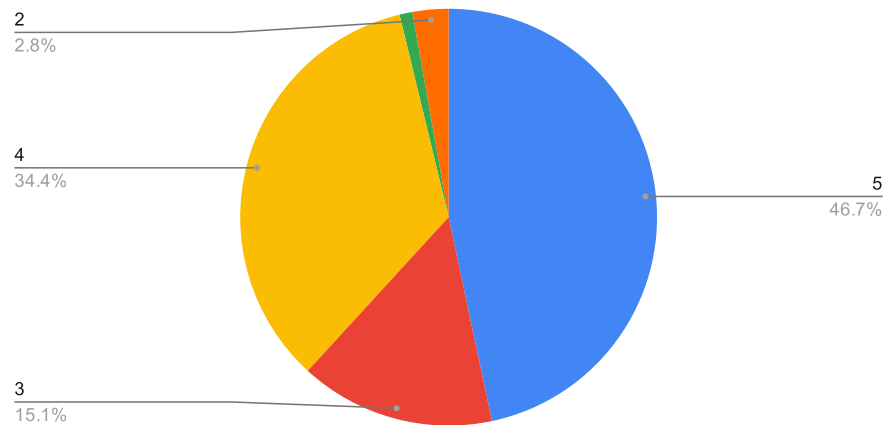

SYLLABUS/CURRICULUM [Assignments/practical have enhanced your learning capabilities (असाइनमेंट / प्रैक्टिकल ने

Infrastructure and Learning Resources [Photocopying facility in the library]

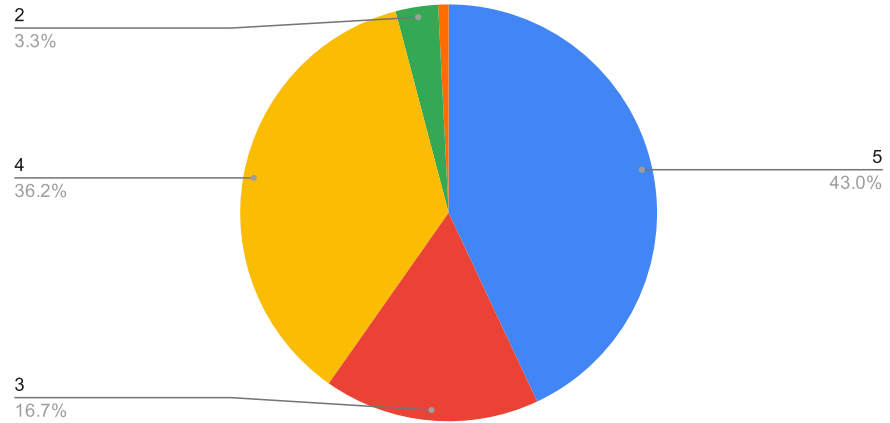

Infrastructure and Learning Resources [Availability of ventilated class rooms ]

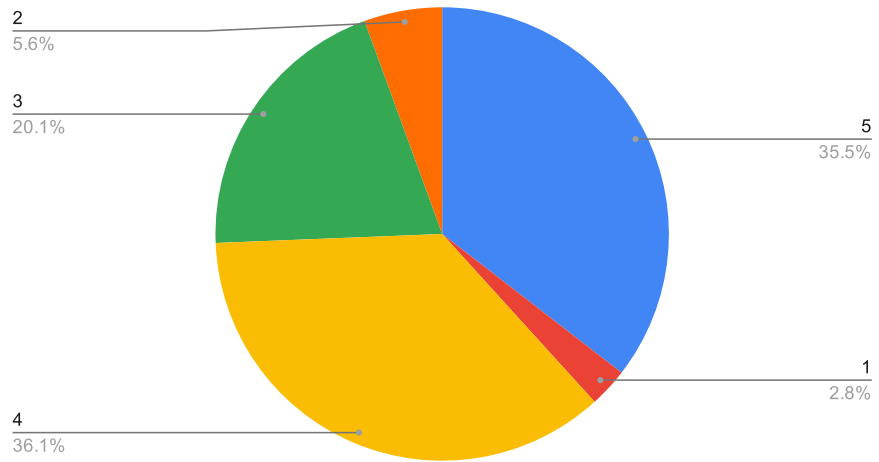

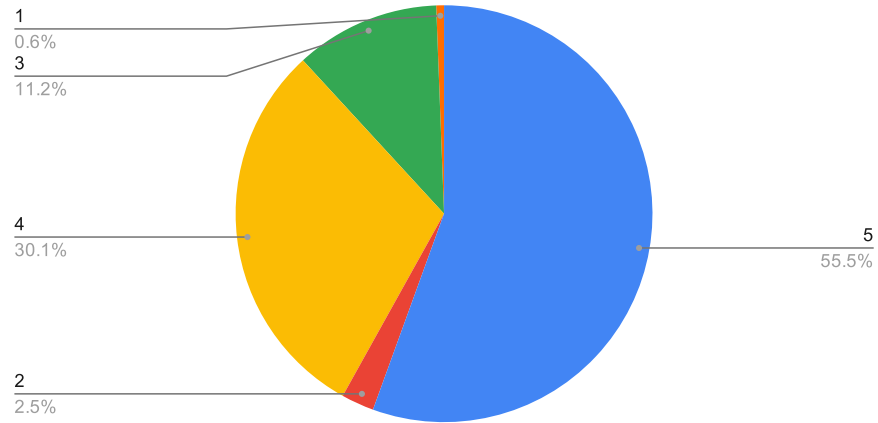

Infrastructure and Learning Resources [Availability of laboratories]

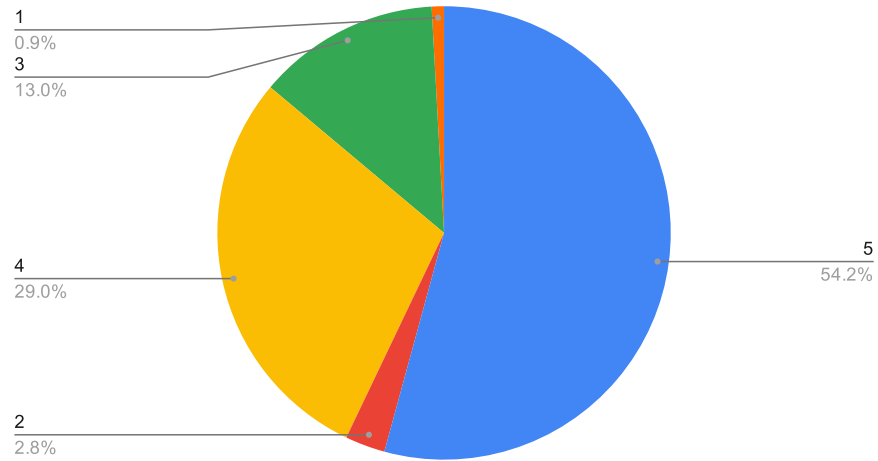

Infrastructure and Learning Resources [Sanitation Facility]

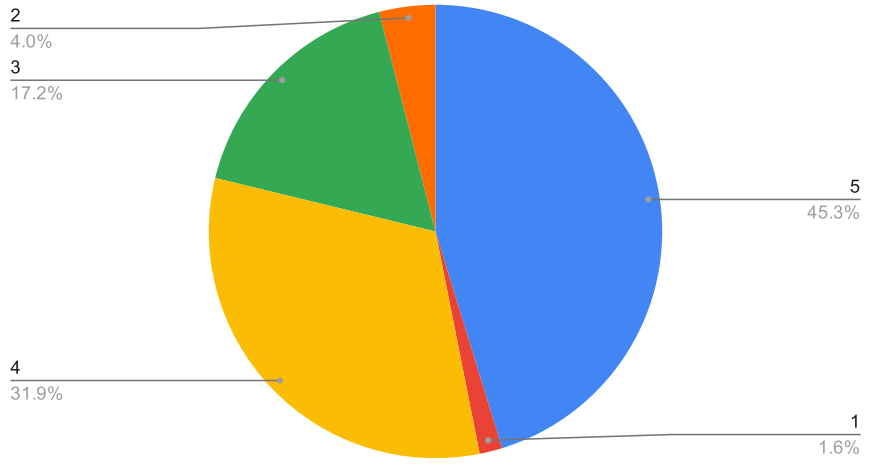

### Infrastructure and Learning Resources [Extra-Curricular Activities]

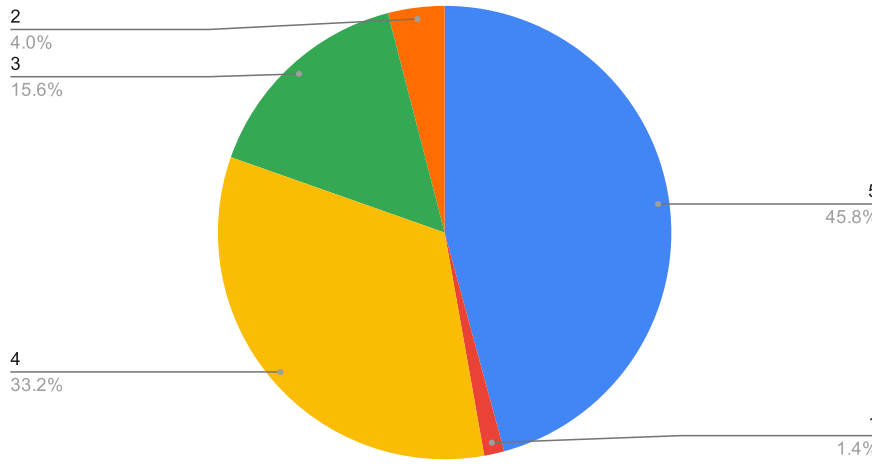

### Infrastructure and Learning Resources [Computer Facility]

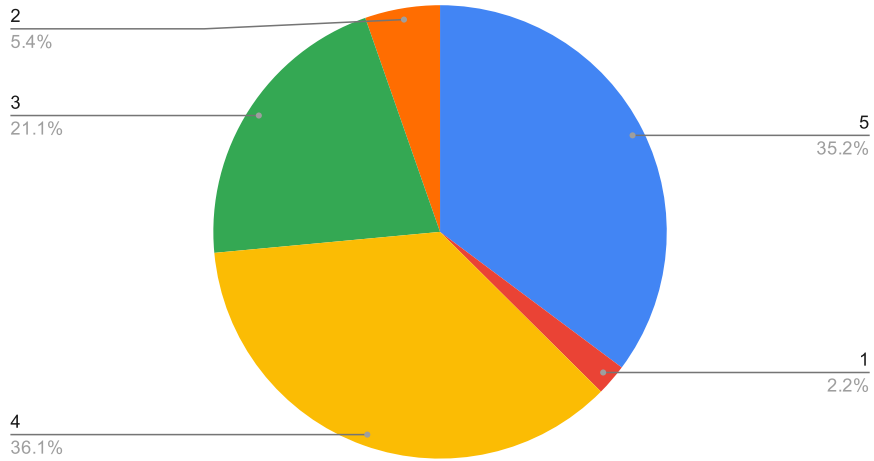

Infrastructure and Learning Resources [Sports Facility]

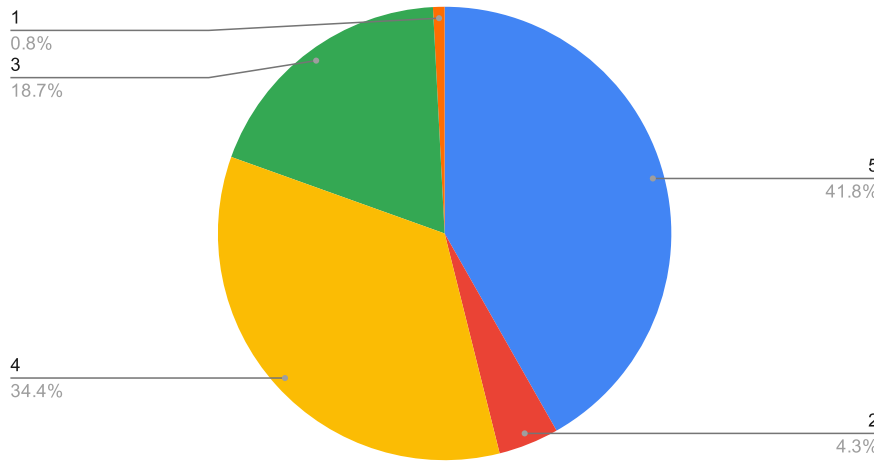

Infrastructure and Learning Resources [Health Care Facility]

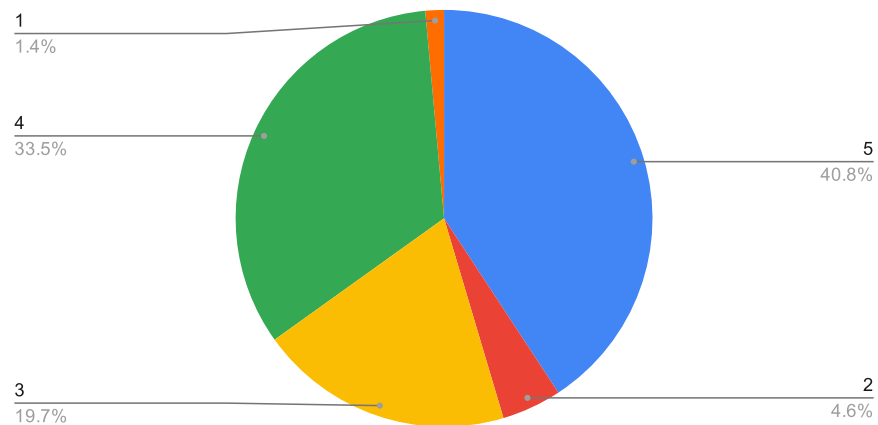

Infrastructure and Learning Resources [Audio Video Facility]

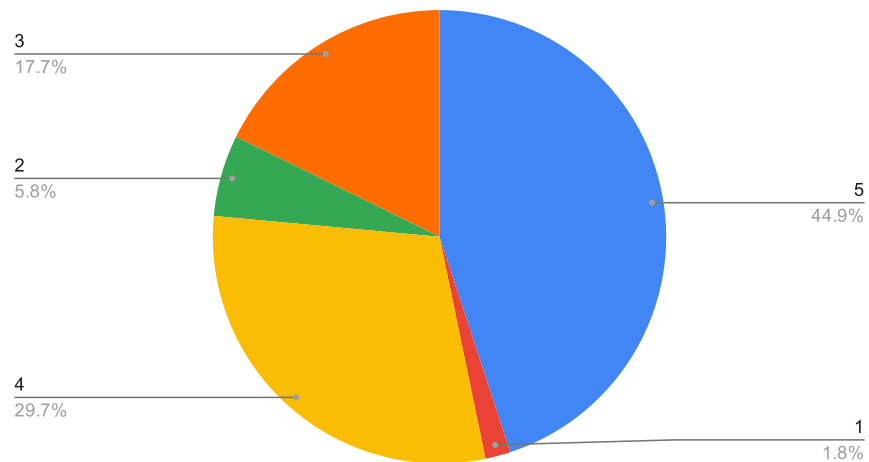

Infrastructure and Learning Resources [Extension Activities]

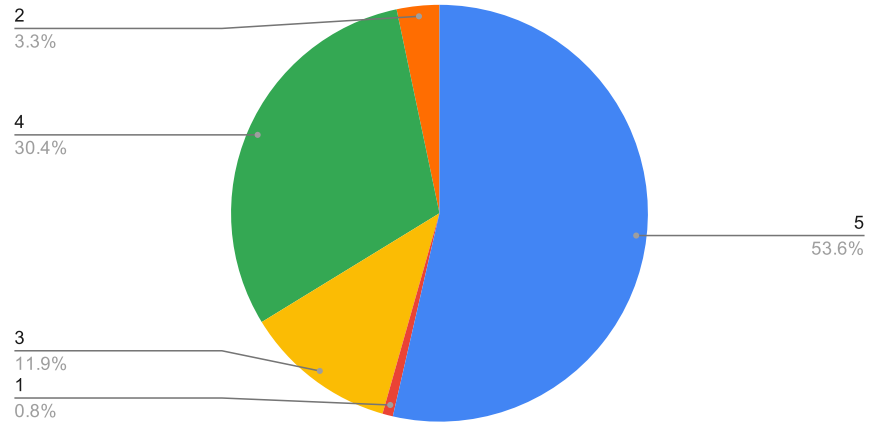

Infrastructure and Learning Resources [Training and Placement Opportunities]

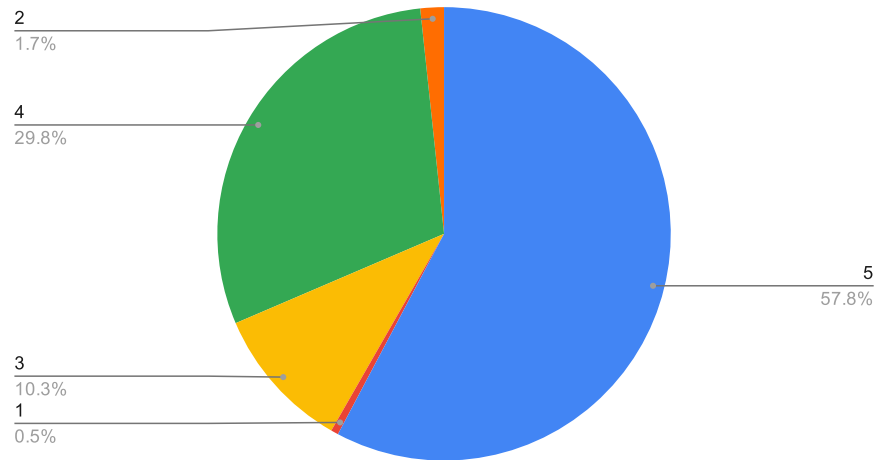

Infrastructure and Learning Resources [Canteen Facility]

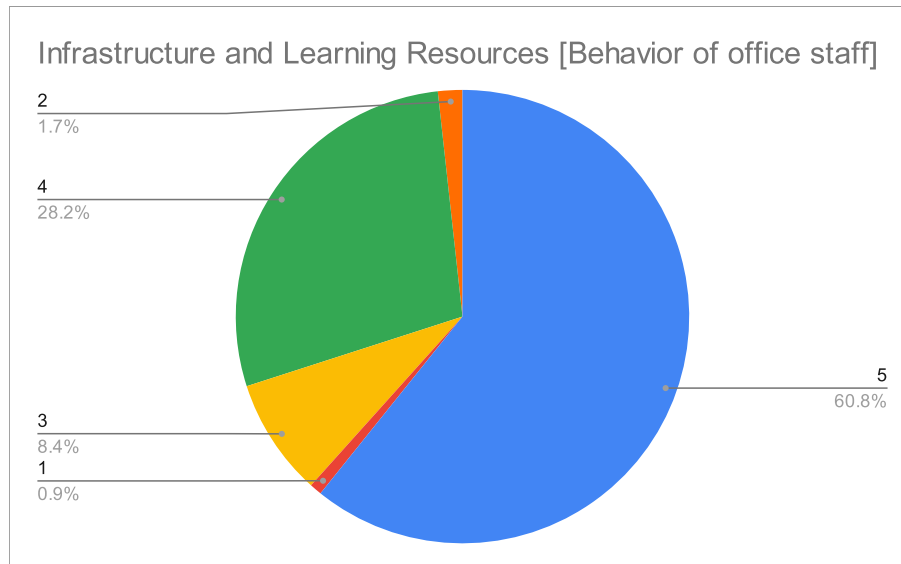

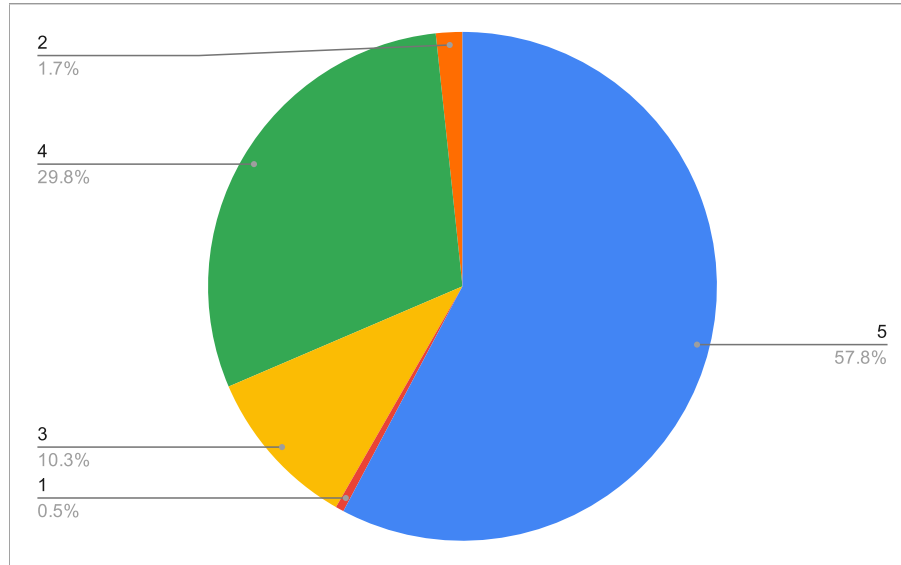

Infrastructure and Learning Resources [Behavior of Library staff]

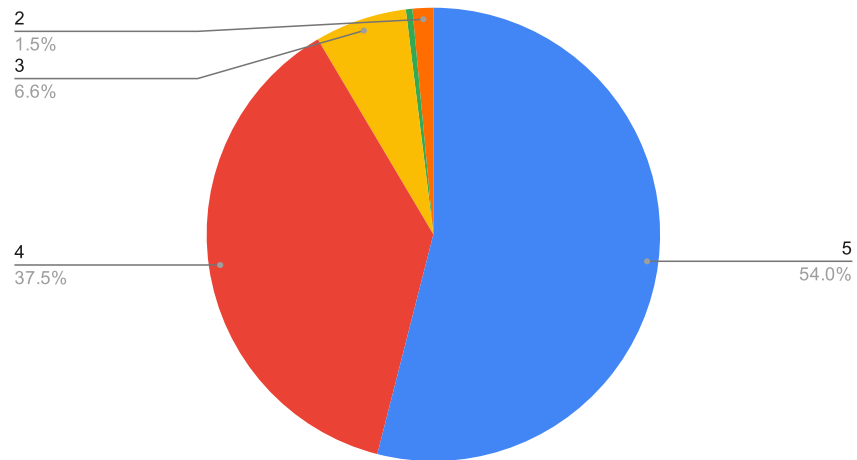

Infrastructure and Learning Resources [Behavior of Lab Staff]

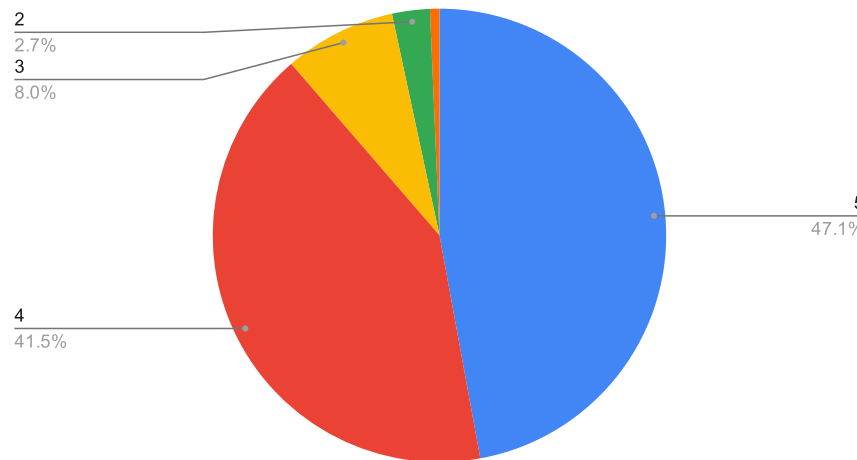

Governance [Students counselling/grievance handling]

Governance [Students involvement in decision making]

#### Analysis Report:-

1. Students Feedback depicts that there should be more reading space in the library.
2. Sanitation Facility need improvement.
3. Photocopying facility to be available in the library.
4. Laboratories to be well equipped.
5. Size of the syllabus should be less.

Suggestions:- A brief analysis on the basis of suggestions through descriptive answers are as below:

1. Teaching staff for [B.Sc.](#) Non Medical to be made available
2. More emphasis on practicals
3. water facility need to be improved

#### Action Taken

1. Extension of Library proposal Sent to Higher Authorities.
2. Exclusive steps are taken to improve sanitation.
3. University Academic council and BOS members are advised to put the suggestions regarding syllabus in their meetings.
