Activity: Extension Lecture on “Various Career Opportunities for girls in Indian Navy”

National Service Scheme organized extension lecture on 18-11-2022 under the orientation scheme of Indian Navy to orient about the various career opportunities for girls in Indian Navy, ways to join Indian Navy and various perks and benefits associated with it.

In this event, Lieutenant Devdutt Sharma, Mr. Sanjay Kumar and Mr. Ram Rattan from Indian Navy explained students about the different career opportunities in Indian navy. Ms. Shaina Tehria(N.S.S.P.O) welcomed the resource person and guests. During his lecture, Lieutenant Devdutt Sharma said that there are numerous career opportunities for girls about which many of us are not aware. Mr. Sharma expressed that everyone should decide his/her goal at early stage and focus on it. He also stressed upon the importance of discipline in achieving the goals. He said that discipline and self-evaluation are the two keys to lead a successful life. Mr. Sharma also emphasized on significance of physical fitness and health. For this Physical exercise and yoga should be integral part of one's lifestyle. After this, there was an interactive session, in which students asked many questions regarding job avenues, discipline etc. which were satisfactorily answered by resource person.

This lecture was attended by 90 students. Mr. Jagdeep Chahal (Associate Professor of Geography) and Mr. Satish Singla(Associate Professor of Commerce) were also present during lecture.
