Research and Development Cell

(Unlock Your Hidden Potential Through Research and Innovations)

The National Education Policy (NEP-2020) envisages the promotion of quality research with in the higher education system. To achieve the vision and attainment of targets of Atam-Nirbhar Bharat, Govt. College for Women Hisar establish a Research and Development Cell.

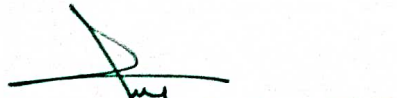

The Research & Development (R & D) Cell of GCW Hisar facilitates and encourages research culture among the faculty and students. Its prime role is to create contacts with the real world and promote research through a wide range of publications. It enables a congenial environment for technological development and monitors the research activities of the college. The R&D Cell aims to reach the Vision and Mission of the college and is functioning under the Chairmanship of Dr. Ramesh Arya

Functions of R&D Cell

- Identification of thrust areas of research in each department
- Advise and encourage the faculty to carry out research in-house and in collaboration with other organizations
- Encouragement and motivation to undertake research projects and to scrutinize the proposals before submitting to funding agencies
- Identify the budgetary requirements and resources for funding the research
- Review the progress of research and offer necessary guidance whenever required
- Monitor and propose the funding from college budget for promotion of research activities
