A meeting was held under the Chairmanship of Principal Dr. Asha Saharan on 01<sup>st</sup> Oct 2020.

Agenda of the meeting:-

- Maintenance of Eco Park by Eco club with NSS.
- Shifting of College Canteen to in front of teaching block,
- To enhance and provide technological facilities to students and staff, to equipped the campus with Wi-Fi facility under RUSA grant.
- To connect newly constructed administrative block with teaching block by making of pathway in front of Administration Block.
- To develop parks along with pathway.
- Extension of parking facility for staff.
- To equip the college library with ultra modern technological facilities for staff and students.
- To cater the needs of commerce students to make a new computer lab for Tally subject under "Computerized Accounting system"

The IQAC members gave various suggestions, keeping in view the size and stature of Institution, so the following decisions were taken unanimously in this meeting.

1. Shifting of college canteen:- As the old canteen structure requires huge repair and maintenance. Secondly near this old canteen, new Adm block has been constructed so it is inconvenient to one and all to use canteen facility at this location. That's why the canteen should be shifted to in front of teaching block at suitable location. The concerned committee will take necessary action in this regard.
2. Maintenance of Eco park:- As Eco Club and NSS units have jointly develop Eco park in the college and it is our one of the best practice "Best out of Waste". Therefore in continuation of that this park should be maintained regularly an some more creative activities should be initiated. The concerned committee will take necessary action.
3. To equip the college campus with Wi-Fi facility- To provide easy and fast access of Internet and to enable the students and staff regarding usage of online tools, it was unanimously decided that under RUSA, the entire campus should be equipped with Wi-Fi facility. The Incharge, RUSA will take necessary action in this regard.
4. Construction of pathway and park:- Some members of IQAC also suggested that to connect Adm. Block with Teaching block, a pathway should be constructed. The RUSA

5. committee will take necessary action in this regard. In addition to that park on both sides of this path way should be developed to make the campus eco friendly and lush green.
6. Extension of parking facility:- As almost all the staff members are having their personal vehicles facility, and the existing parking facility is not adequate therefore it was decided that new parking should be created in front of old parking shed.
7. To Equip the college Library with e-Lounge:- To enable the students and staff for accessing selected e- resources like e books and e journals, library should be equipped with e- lounge consisting of five computers system with Internet facility out of Library enhancement grant.
8. To introduce a separate computer lab for commerce students:- As per requirement of the syllabus of B.Com, some new papers like " Computerized Accounting System" and " E commerce etc. have been introduced for B.Com students. Therefore to cater the needs of practical work of commerce students a separate computer lab consisting of 10 computers and all required infrastructure out of RUSA grant. The concerned committee will take necessary action.
