| 10.08.2026 to 15.08.2026 | Week 4  | Key Actors:-Legislature :-Executive                                                                                                                    |
| 17.08.2026 to 22.08.2026 | Week 5  | Key Actors:-Judiciary :-Bureaucracy                                                                                                                    |
| 24.08.2026 to 29.08.2026 | Week 6  | Key Actors:-Civil Society:-Media                                                                                                                       |
| 31.08.2026 to 05.09.2026 | Week 7  | Principles of Good Governance:-Transparency :-Accontability                                                                                            |
| 07.09.2026 to 12.09.2026 | Week 8  | Principles of Good Governance:-Rule of Law:-Participation                                                                                              |
| 14.09.2026 to 19.09.2026 | Week 9  | Ethical Governance, Citizen Centric Administration                                                                                                     |
| 21.09.2026 to 26.09.2026 | Week 10 | Major Public Policies In India:- Health:-Education                                                                                                     |
| 28.09.2026 to 03.10.2026 | Week 11 | Major Public Policies In India:-Poverty Alleviation                                                                                                    |
| 05.10.2026 to 10.10.2026 | Week 12 | Role of NITI Aayog and Planning in India.                                                                                                              |
| 12.10.2026 to 17.10.2026 | Week 13 | E-Governance and use of technology in policy delivery,RTI                                                                                              |
| 19.10.2026 to 24.10.2026 | Week 14 | Social Audits, and participatory governance                                                                                                            |
| 26.10.2026 to 31.10.2026 | Week 15 | Challenges in policy implementation Corruption                                                                                                         |
| 11.11.2026 to 14.11.2026 | Week 16 | Challenges in policy implementation capacity issues                                                                                                    |
| 16.11.2026 to 21.11.2026 | Week 17 | Center-state relations                                                                                                                                 |
| 23.11.2026 to 28.11.2026 | Week 18 | Revision of important topics                                                                                                                           |
| 30.11.2026 to 04.12.2026 | Week 19 | Revision of important topics                                                                                                                           |

**GOVERNMENT COLLEGE FOR WOMEN, HISAR**

**Lesson Plan July 2026 to November/December 2026**

Name of Teacher: Hemant

Class: B.A. ME 2nd year 3<sup>rd</sup> Sem.

Subject: Advanced Microeconomics

Subject Code: - C24ECO301T

External Marks -70

Internal Marks- 30

Total Marks -100

| Date                     | Week    | Topics to be covered                                                                                            |
|--------------------------|---------|-----------------------------------------------------------------------------------------------------------------|
| 20.07.2026 to 25.07.2026 | Week 1  | Consumer Theory: Preference relations and utility representation.                                               |
| 27.07.2026 to 01.08.2026 | Week 2  | Expenditure minimization and duality, Slutsky equation and substitution effects,                                |
| 03.08.2026 to 08.08.2026 | Week 3  | Hicksian and Marshallian demands                                                                                |
| 10.08.2026 to 15.08.2026 | Week 4  | Revealed preference theory                                                                                      |
| 17.08.2026 to 22.08.2026 | Week 5  | Production and Cost: Production functions and technology sets,                                                  |
| 24.08.2026 to 29.08.2026 | Week 6  | Returns to scale and elasticity of substitution                                                                 |
| 31.08.2026 to 05.09.2026 | Week 7  | minimization and cost functions,                                                                                |
| 07.09.2026 to 12.09.2026 | Week 8  | Duality in production,                                                                                          |
| 14.09.2026 to 19.09.2026 | Week 9  | Economies of scope and multiproduct firms                                                                       |
| 21.09.2026 to 26.09.2026 | Week 10 | General Equilibrium and Welfare: Exchange economy and Edgeworth box                                             |
| 28.09.2026 to 03.10.2026 | Week 11 | Unit Test & Assignments                                                                                         |
| 05.10.2026 to 10.10.2026 | Week 12 | Walrasian equilibrium and its existence, Core and competitive equilibrium,                                      |
| 12.10.2026 to 17.10.2026 | Week 13 | Efficiency and the First and Second Welfare Theorems, Social welfare functions and equity-efficiency trade-offs |
| 19.10.2026 to 24.10.2026 | Week 14 | Game Theory and Strategic Behavior: Static games of complete information,                                       |
| 26.10.2026 to 31.10.2026 | Week 15 | Nash equilibrium and mixed strategies, Dynamic games                                                            |
| 11.11.2026 to 14.11.2026 | Week 16 | Subgame perfect equilibrium, Repeated games and collusion,                                                      |
| 16.11.2026 to 21.11.2026 | Week 17 | Asymmetric information and adverse selection                                                                    |
| 23.11.2026 to 28.11.2026 | Week 18 | Revision                                                                                                        |
| 30.11.2026 to 04.12.2026 | Week 19 | Revision                                                                                                        |
